Thanks for filling out UG4 CSE Course Registration Monsoon 2024

Here's what was received.

UG4 CSE Course Registration Monsoon 2024

Course Registration is open for UG-4 CSE Monsoon 2024

Credit distribution for the 7th Semester (M 2024):

Programme Elective - 1 (3 Credits)

Institute Elective - 1 - (3 Credits)

SSHAM - 1 - (2 Credits)

BTP/Honors - (4 Credits)

Total - 12 Credits

- There are **3 program elective courses offered,** Students **need to give 3 preferences. It is not permitted to select the same course for more than once as a preference;** in such cases, course allocation will be based on slot availability.

- There are **4 institute elective courses offered,** Students **need to give four preferences. It is not permitted to select the same course for more than once as a preference;** in such cases, course allocation will be based on slot availability.

- Since the IDA course is offered to both CSE and ECE students from UG3 and UG4 the allocation is based on availability of the slots.

- Specialization Students need to register one specialization course(s)/project as per the instructions of the specialization coordinator in addition to the above.

Further, UG 4 students are strongly advised to keep **only 8 Credits** for taking up SLP the final semester in the following combination (1PE + 1IE + 1 SSHAM = 8 credits) only. However, Honors and specialization project (if any) credits will be over above these 8 Credits. List of courses offered for UG4 students under PE, IE and SSHAM category is given in the Course registration form.

Additional Instructions:

Students who have already completed 2 IEs by 6th semester need not register for IE course in M 2024.

Students who have completed 8 program electives are not required to register for program electives in M 2024.

Students who have completed 22 credits in SSHAM courses need not register for the same in M 2024.
